

CHAMPNEYS

Physio Study Day

Recent advances in secondary care

Saturday 9th February 2013 9am - 1.30pm

Champneys Tring, Hertfordshire

Emma James Physio and Champneys Medical Department invites you to attend a morning of study at Champneys Tring Health Resort and the option to enjoy a complimentary afternoon at the gym and spa.

Our speakers will share with you their expertise and knowledge on the recent advancements in secondary care and provide you with guidance on when to refer.

There will be an opportunity to network informally during a buffet lunch.

To reserve your place at the FREE event, please contact Emma James by email: emma.james@ejphysio.co.uk stating your name and practice name by the 28th January.

Please also book whether you wish to attend the complimentary buffet lunch and /or afternoon use of the spa facilities.
